

CUBEXI is high-quality, ceiling mounted guide luminaire. CUBEXI guide luminaire provides guidance from four different directions, which makes it an excellent choice for large commercial premises and markets with many intersecting shelves and aisles. Luminaire has a viewing distance of 50 metres.

The luminaire can be installed quickly and it provides a good amount of light, assisting those exiting the building. It is IP20 rated.

Due to its even light distribution and contrast, CUBEXI guide luminaire is an excellent fit for offices, market environments, buildings and industrial locations.

LUMINAIRES

TYPE	ELECTRICAL NO. (F)	VOLTAGE	POWER INPUT	LIGHT SOURCE	IP CLASS	RANGE	MOUNTING	BATTERY
